

OUTREACH PROGRAMME ON BIOTECHNOLOGY

Outreach Programme on Biotechnology

State Biotech Hub (SBH), Sikkim State Council of Science & Technology (SSCS&T), headed by Dr. Anil Mainra IFS, Member Secretary, conducted an outreach programme at different schools in Sikkim. The programme was especially focused on imparting knowledge about Biotechnology and its Application to the students of class XI-XII Science. Students along with teachers attended the programme. This programme was supported by Department of Biotechnology Govt. of Sikkim.

The Outreach Programme was undertaken under the guidance of Dr. B.C. Basistha, Additional Director & Coordinator and Shri. K.B. Subba, Assistant Scientific Officer-cum-Co-coordinator, SSCS&T and Dr. Sushen Pradhan, Research Associate.

The programme was conducted in fifteen different schools selected from all four districts. Hee-Yangthang Sr. Secondary School, Temi Sr. Secondary School, Tadong Sr. Secondary School, Mangan Sr. Secondary School, Rumtek Sr. Secondary School and Bojoghari Sr. Secondary School was taken up by Neelam Gurung (JRF), State Biotech Hub.

Pratima Ghimiray (JRF), State Biotech Hub conducted the programme in Mamring Sr. Secondary School, Machong Sr. Secondary School, Biraspati Parsai Sr. Secondary School Ranipool, Assam lingzey Sr. Secondary School and Singtam Sr. Secondary School.

Programme in Govt. Sr. Sec. School Namchi, Namchi Girls Sr. Secondary School, Govt. Sr. Secondary School Jorethang, Temi Sr. Secondary School and Damthang Secondary School was conducted by Prerna Pradhan (JRF) State Biotech Hub.

Students actively participated in the programme and were interactive in each event. Positive feedbacks were given by the Teachers and the Principals of the respective schools. All the schools extended their sincere thanks to the State Biotech Hub and were hoping to get more of such programme in the future which they found very beneficial for the students.

The Biotech Division under SBH is further conducting its outreach programmes on Biotechnology and its Application in fifteen more schools of Sikkim. It is anticipated that this programme will be beneficial to all the students.
